

# Jim Garamone

*Reporter, DoD News*

Jim interacts daily with the Secretary of Defense, Joint Chiefs and allied military leaders to keep DoD service members and civilians informed. He knows the importance of challenging bosses and “calling it straight,” while cognizant of the motivational power of his words on military readiness.

## Employees

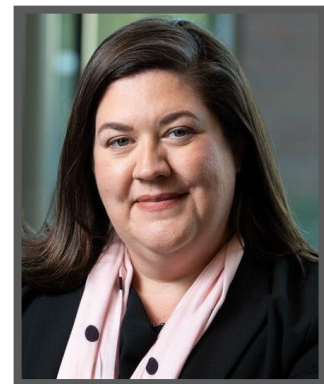

- ❖ **Department of Defense:** 2.9 million
- ❖ **Pacific Northwest National Lab:** 5,300

Do numbers matter?

# Amanda Schoch

Amanda’s team influences R&D performance at the Pacific Northwest National Laboratory, a leading center for national scientific discovery. Her roles at the National Security Agency, Director of National Intelligence and U.S. House of Representatives helped shape her appreciation for the game-changing value of internal advocacy.

*Chief Communication Officer, PNNL*

# High-Impact Employee Comms

Join us as pros from the largest employer in the Mid-Columbia and the largest in America chat about the art of internal communication for strengthening organizational culture, advocacy, team morale and employee performance.
